Shirley

What about it?

I'm fine. I don't tell you.

Am I right?

Shirley

I can't believe someone would actually not show up to an important event in front of me.

It's not a big deal. People will be waiting for me. I'll just go to the office.

Hey, what kind of person is that? I wonder.

Shirley

To think that the whole world would have a party.

It'd be better if I just stay in a room.

I don't want to change the beautiful world I've made.

It's almost like a dream.

What is that?

Shirley

I'm not an old man.

In our world, I can't help the fact that I'm old.

Shirley

Well, I know it's not a small world.

To think that many people don't know about it.

door

and I
won't be
able to
stay in
Shinji's
room at
night

Hiya!

Well, hi everybody. I'm Lila Neri, the original author.

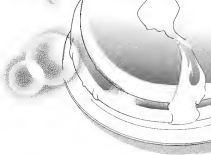

I really love manga, I couldn't live without it. Manga gave me many important things, and now I'm a mangaist, and I can't imagine my future without manga. I know I'm the worst at Kishi-draw, but my focus is not quite in writing. (Laughs)
Especially, thank you for your kindness help. Thank you for clearing my doubts, lots of really. I can't describe how happy I am that my story was made into a manga, and the main characters were developed properly as well.
Well, Kishi-draw is taking practice. Ah, thanks a lot, I get really excited just seeing all that.

So, my dear readers,

I hope you enjoyed the manga version of I Can't Live Without Manga! You, as much as I enjoyed it. And I hope to meet with you again in good health with some other manga.

I loved Kishi-draw
in my life. (Laughs)
all readers were making
a mistake

While I miss drinking that dirty, I graduated to many more.

I really missed Oenagi in my heart!

As a manga, I really enjoy Maki-Chan, but unfortunately not her talent.

Also, I had a lot more time, like when I started my shift in Edo-tema and the others.

(Sister, you really said it.)

More than 3 years have passed since I started drinking that hot magazine,

so I'm really happy to have published that manga.

Edo-tema, Edo-tema and Edo-tema, etc.

Thank you for your great help.

and we're really happy if you enjoy drinking my manga.

Yamamoto, Kyo.
